

**Daisy & Darren:**

**Darren:** Oh, hello ladies. I'm Darren and this is Daisy. Welcome to Double D's.

**Daisy:** Now, what can we do for you this afternoon?

**Chardonnay:** Well I'm having a bit of back trouble.

**Daisy:** Oh no, why's that?

**Chanel:** She's always on it!

**Chardonnay:** So your massage and neck stretch offer sounds fabulous!

**Chanel:** And for me, I really like the sound of your steam cabinet to help me lose weight.

**Darren:** We're not miracle workers!

**Chanel:** Sorry?

**Darren:** I said, it will definitely work for ya! Let's warm it up.

*He presses a button on the side of the machine.*

**Daisy:** *(to Baroness)* And how about you Madam?

**Baroness:** Oh, I'm just here to make sure they don't break anything.

**Darren:** Well, while you're here, can I interest you in this anti-aging cream *(picks up jar)*. It works absolute wonders!

**Daisy:** We've got a customer round the back who's just used it actually.

*She pops off SR, and a young chorus girl enters with her, holding a jar.*

**Chorus 1:** This is wonderful! Thanks both!

**Baroness:** Who was *that*?

**Darren:** Yvonne from the WI.

**Baroness:** And how old is she?

**Daisy:** She's 84!

**Baroness:** 84?!

**Darren:** It's great, isn't it?

**Baroness:** How much have you got?!

*She grabs as many jars as she can and passes them to Daisy.*

**Daisy:** I'll bag them up for you.

*She does so, and puts the bag offstage R.*

**Darren:** Are you sure we can't interest you in our new Hair-o-matic hair styler? It'll work wonders on your barnet!

**Baroness:** Oh, go on then. You've convinced me.

**Daisy:** Right, let's get you started then and Darren you can look after the girls.

*She leads Baroness to a chair and sits her down.*

**Darren:** (to Chardonnay) What's your name hun?

**Chardonnay:** Chardonnay.

**Chanel:** And I'm Chanel.

**Darren:** Lovely names.

**Daisy:** What did you name them after?

**Baroness:** I wanted to name them after something expensive and precious. If I were naming them now, I'd be calling them Gas and Electric!

**Chanel:** Is my steam bath ready yet?

**Daisy:** We'll get you in in just a sec, but first, just pop onto these scales for me.

*Chanel steps onto the scales.*

**Chanel:** Ooh, I'm a trifle heavier today!

**Chardonnay:** I told you not to eat that trifle last night!

**Chanel:** I'll have you know I've been on a balanced diet.

**Chardonnay:** Yes, a quarter pounder in each hand!

**Daisy:** Right, let's get you in.
